SAVANNAH, Ga., December 26, 1851. Mr. Wm. H. Lippitt,—Dear Sir:—It is with pleasure l acknowledge the wonderful effects of your Medicine for curing Diarhoea or Bowel Complaints, as I am satisfied it was the means, under God of saving the life, first of my Child, and then of my Brother. As my Brother was given up by two of the most eminent physicians in this place, Drs. Richardson and Wregg, and when I consulted the latter, as to not think that Medicine would be of any use to him. But, thank God, he was mistaken, as we saw the salutary effects in 24 hours, and in ten days he was able to be out of bed. I remain yours, very truly and gratefully,
